Friend "B" specifically asked if Bradford had a gun. Time: 1:19 am, 1/21/2011. He answered "Yes." I have a copy of his text from the police. Estimated time of Bradford's death by police was 3:33 am. Friend B still DIDN'T call the police.

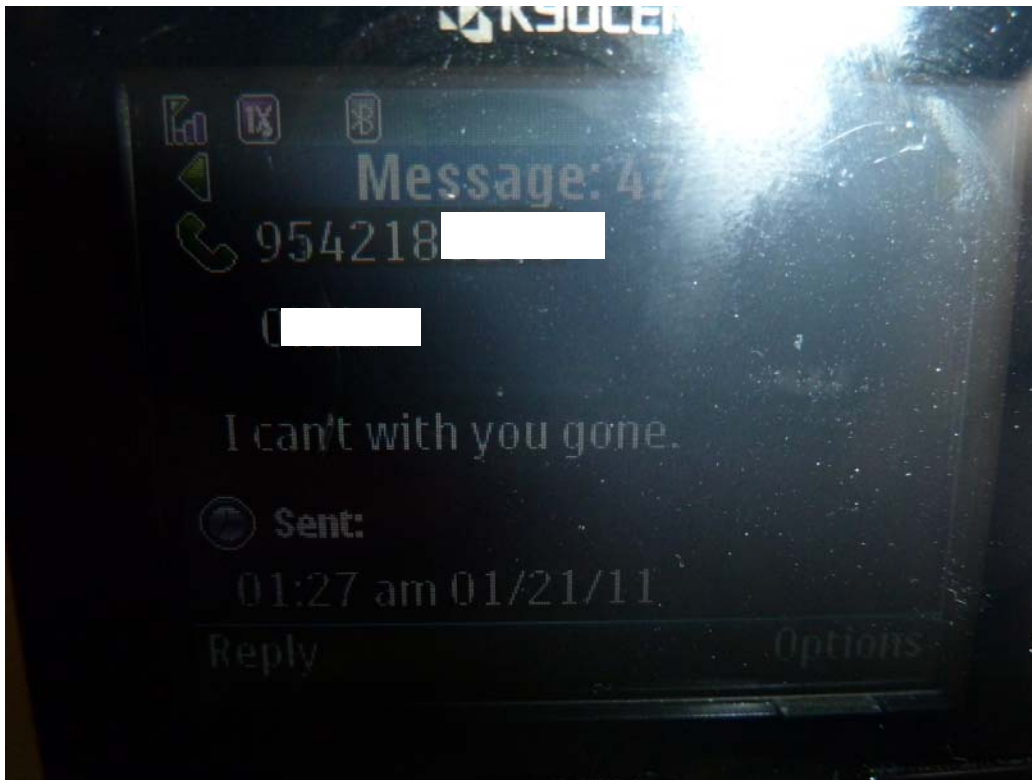

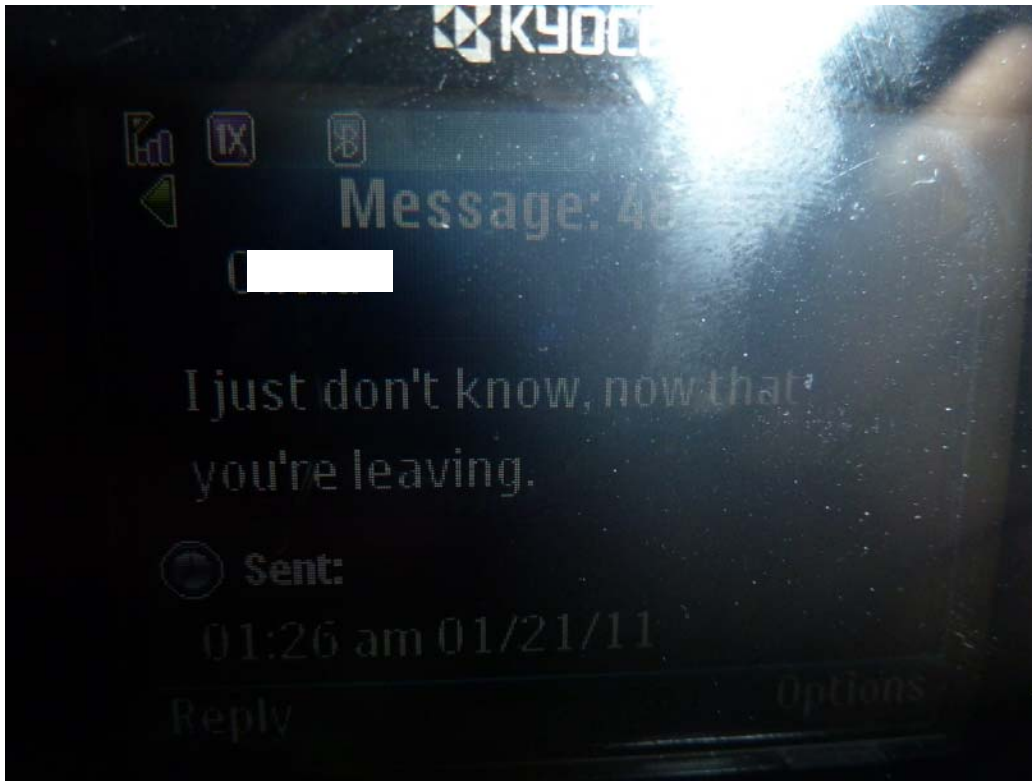

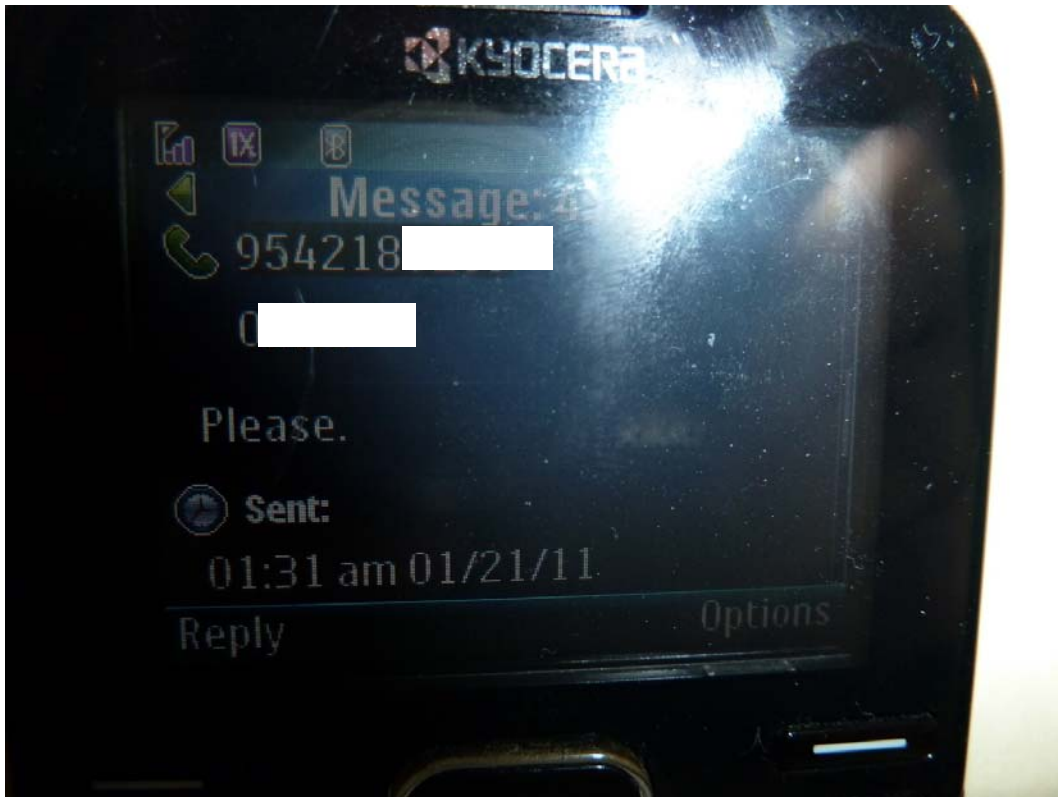

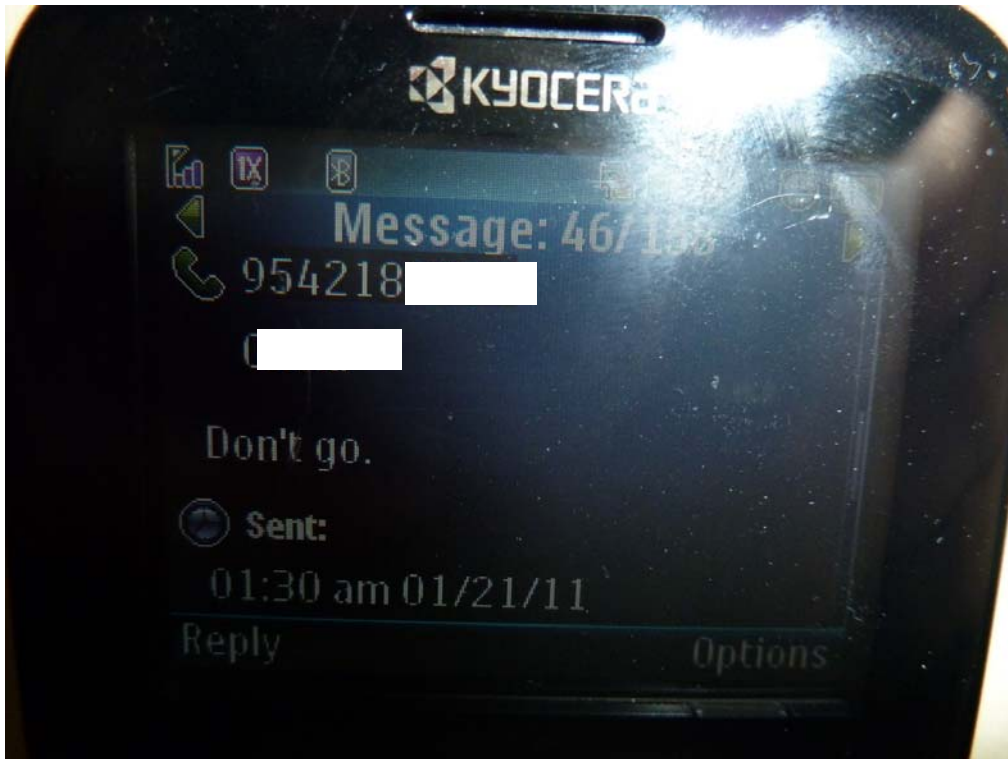

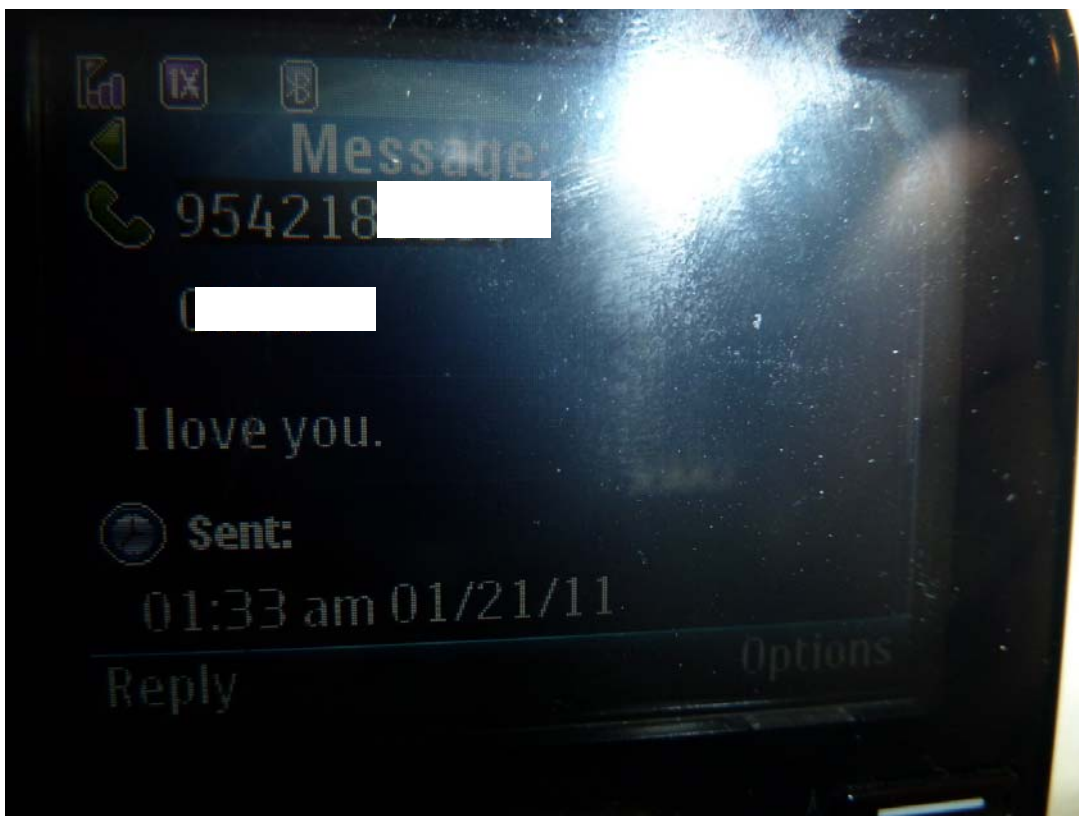

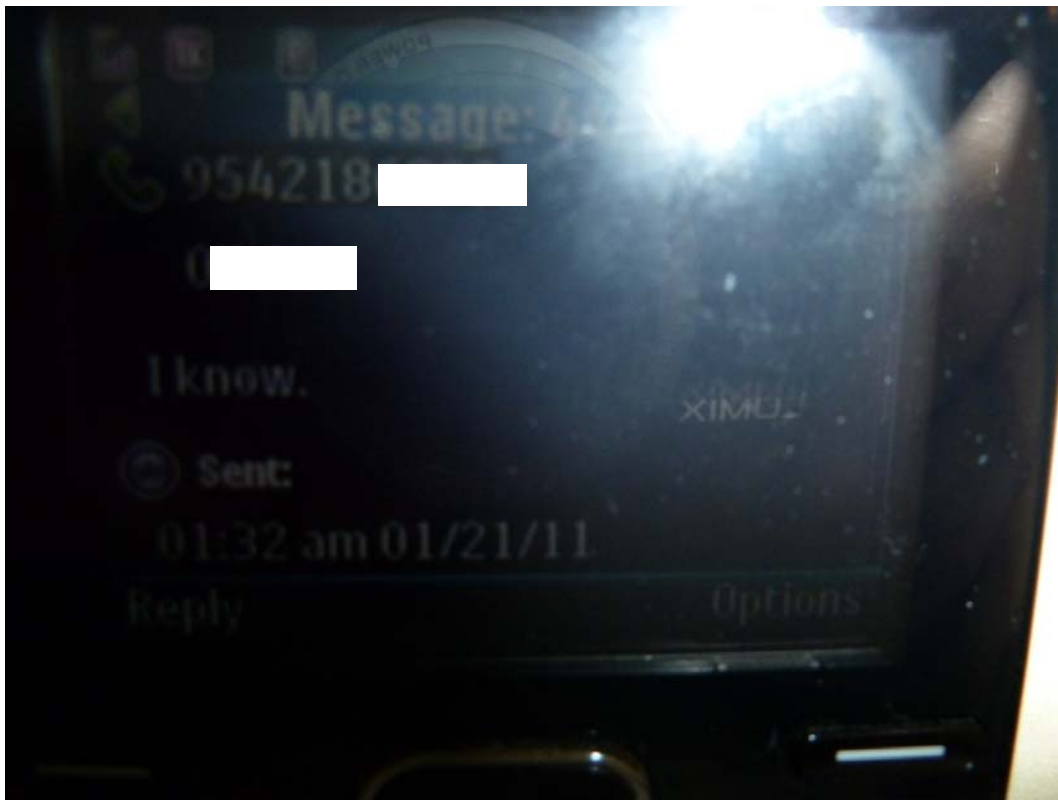

Notice the time:
1:22 am,
1/21/11,
Still, no police
was called. We
weren't called.
No Calls to the
Suicide Hotline.
Nothing. This is
2 hours before
Bradford died.

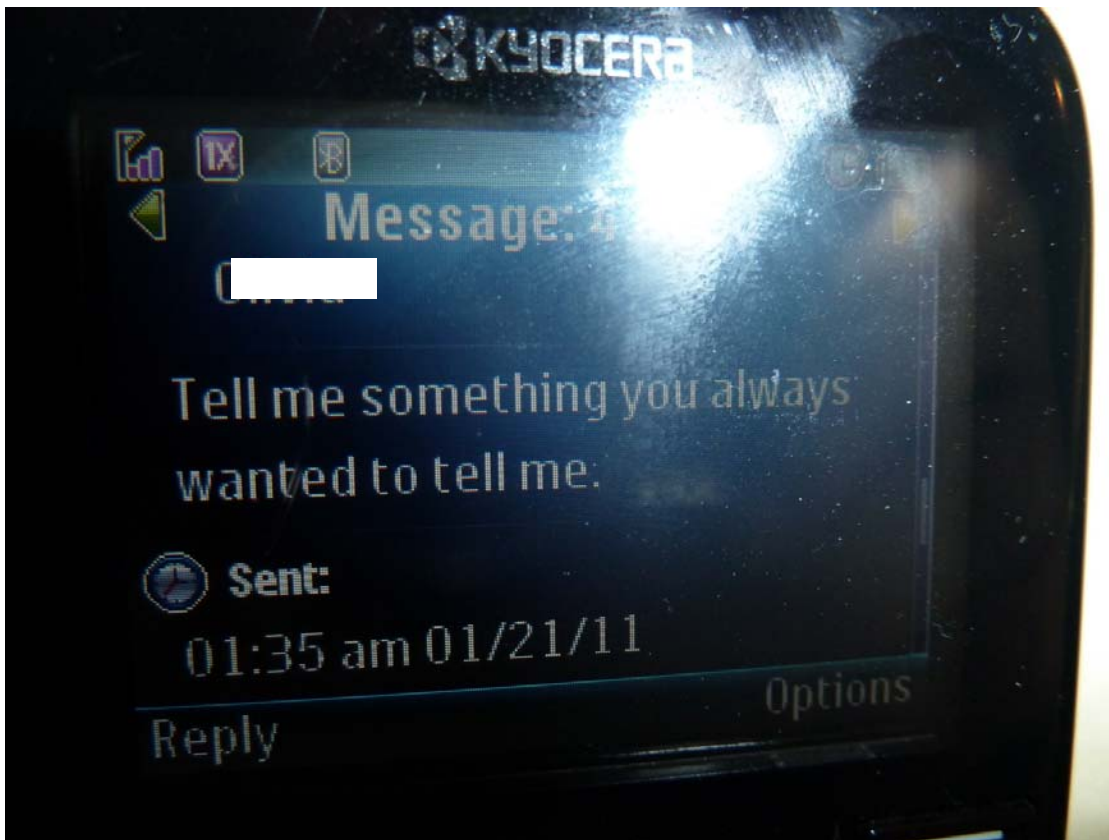

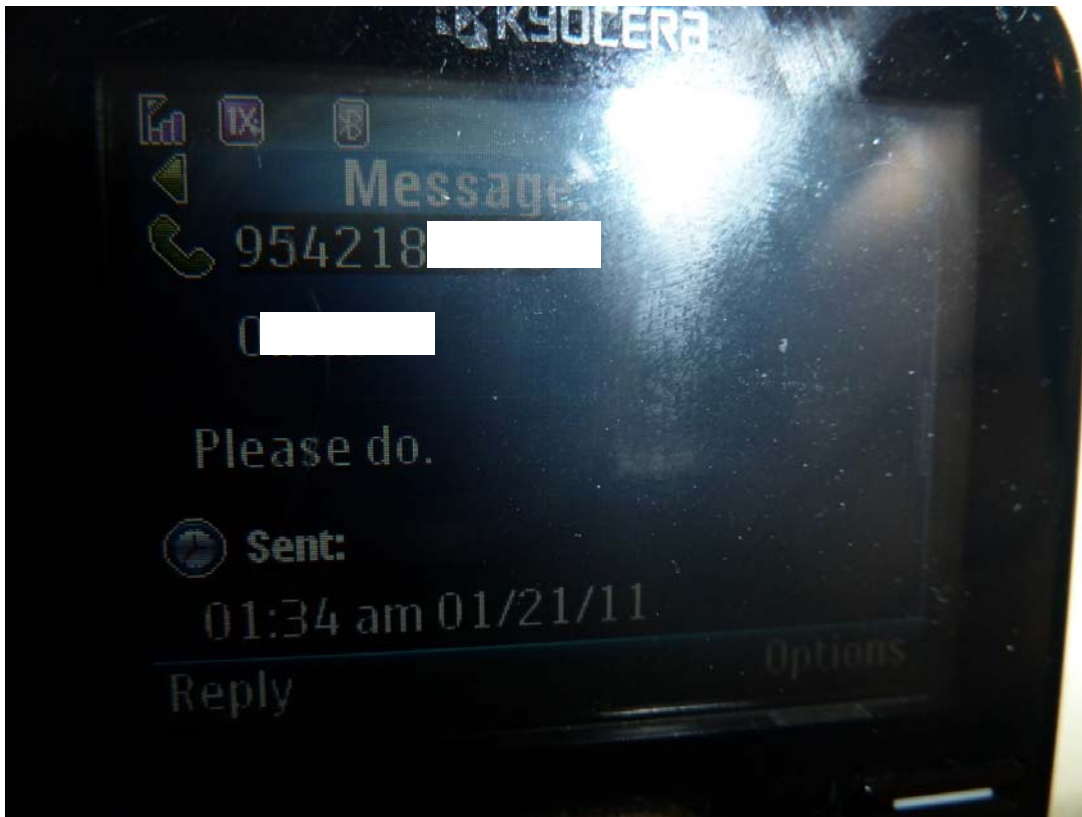

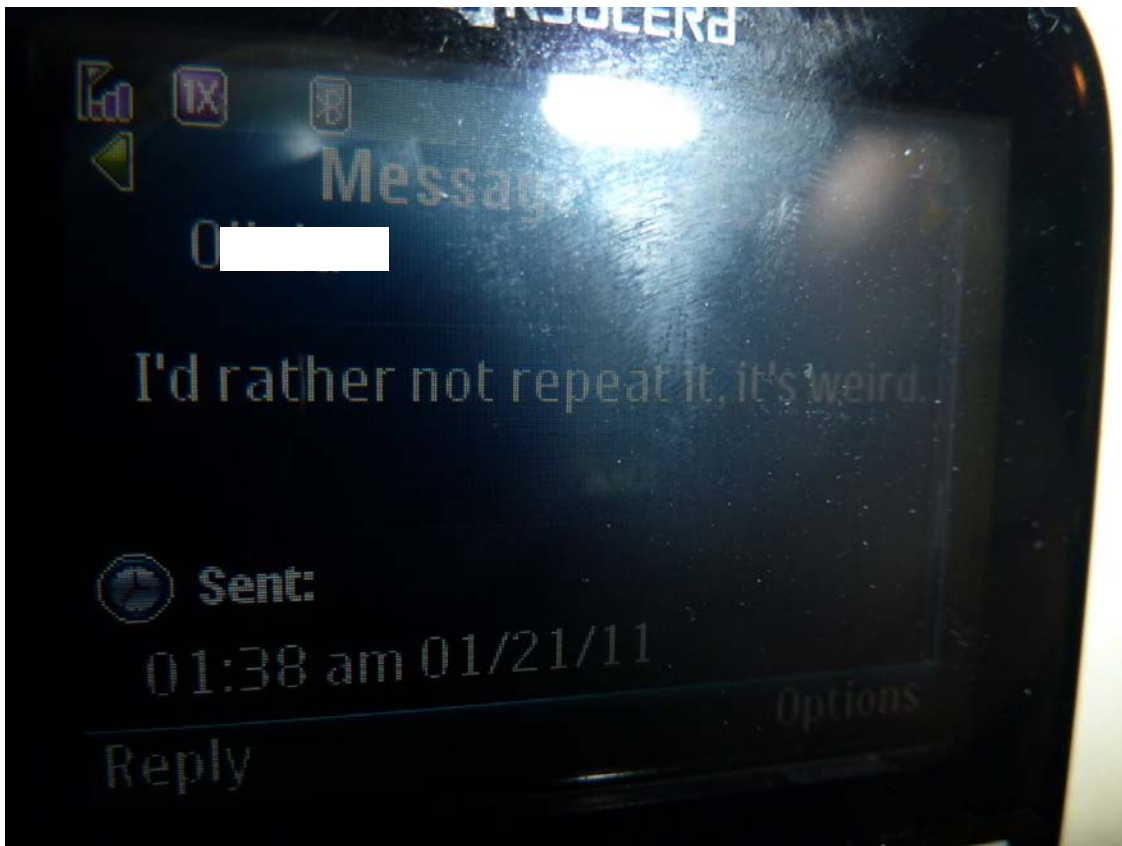

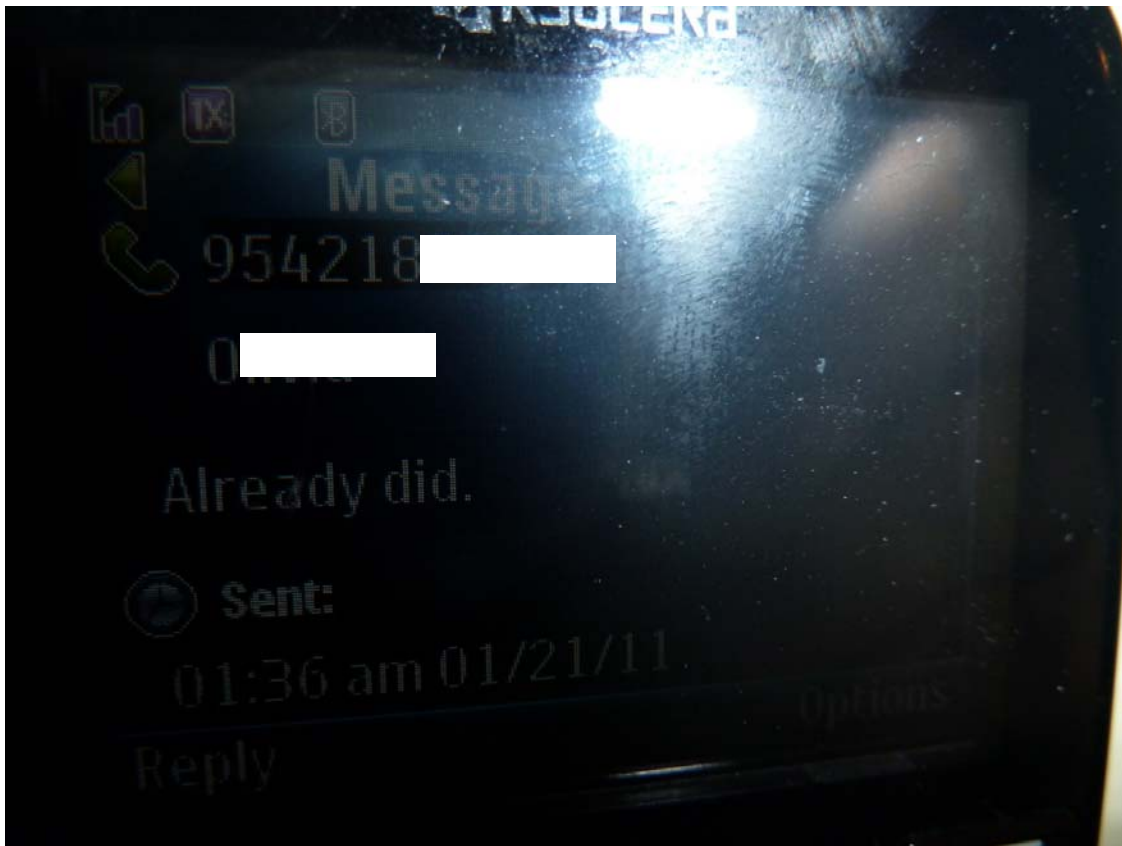

1:25 AM,
1/21/2011.
This is 2 Hours,
8 Minutes
before Bradford
died. She still
did not call the
police.

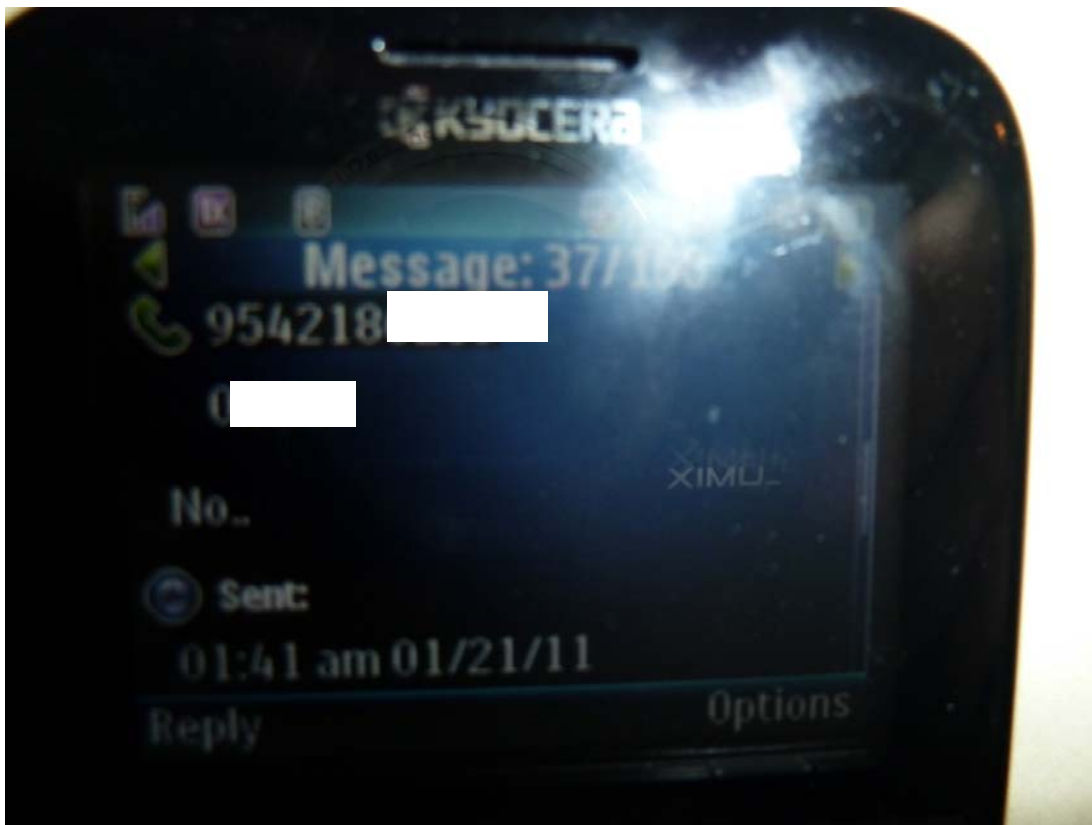

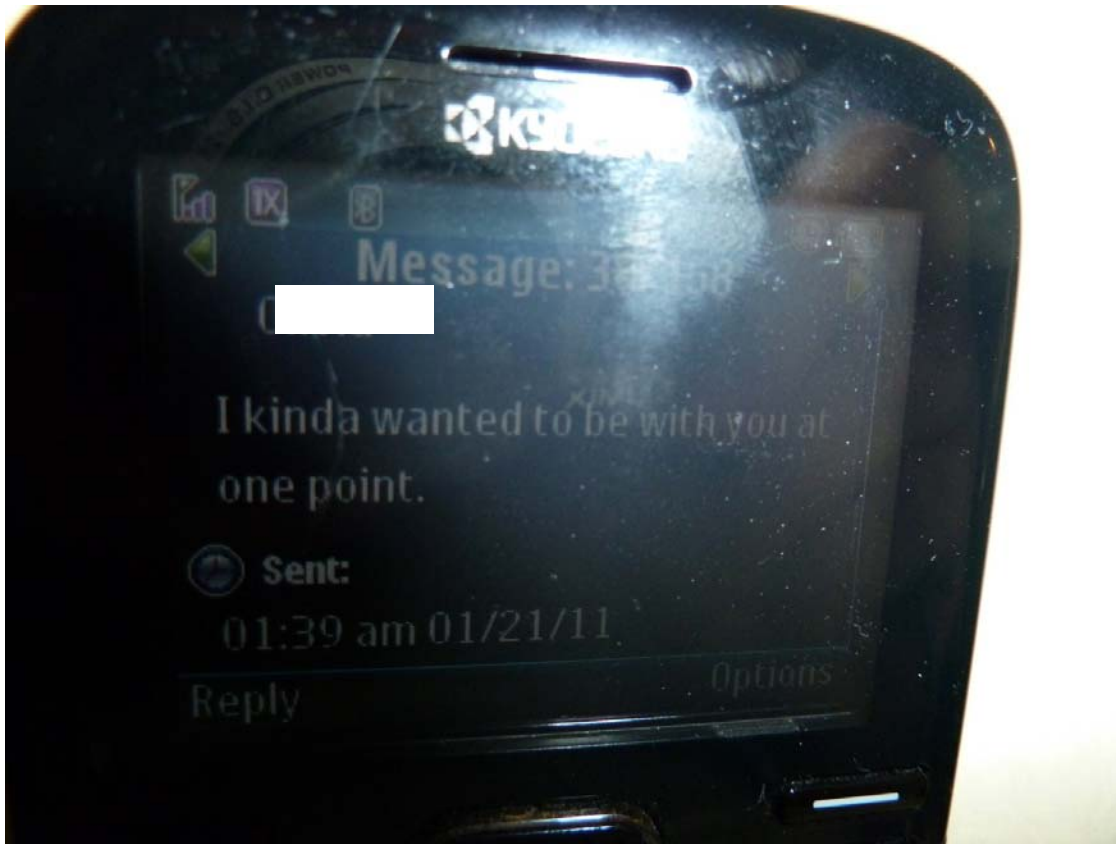

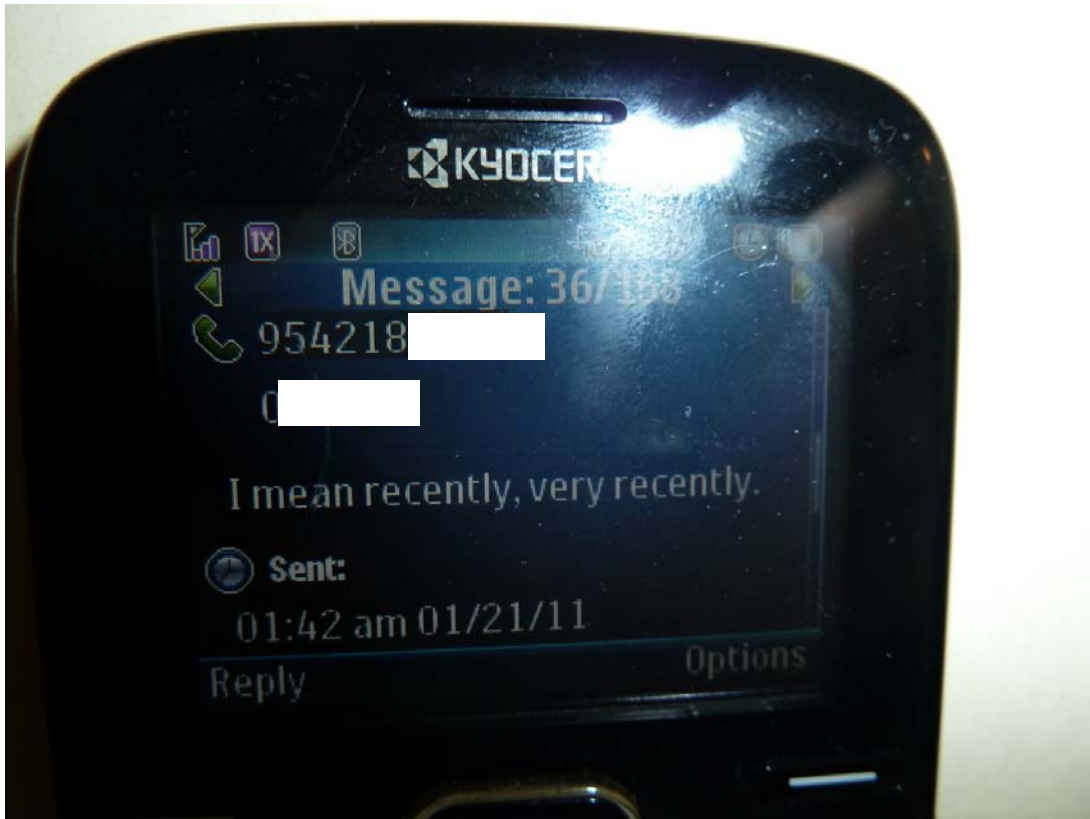

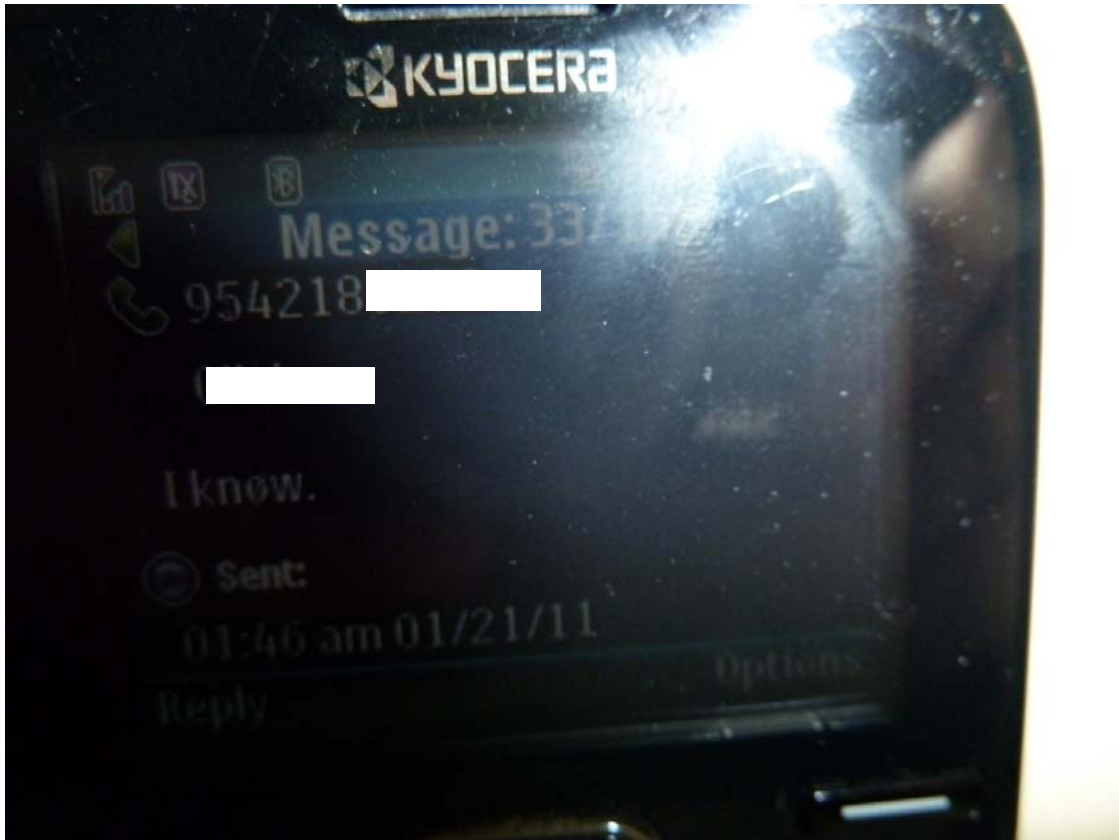

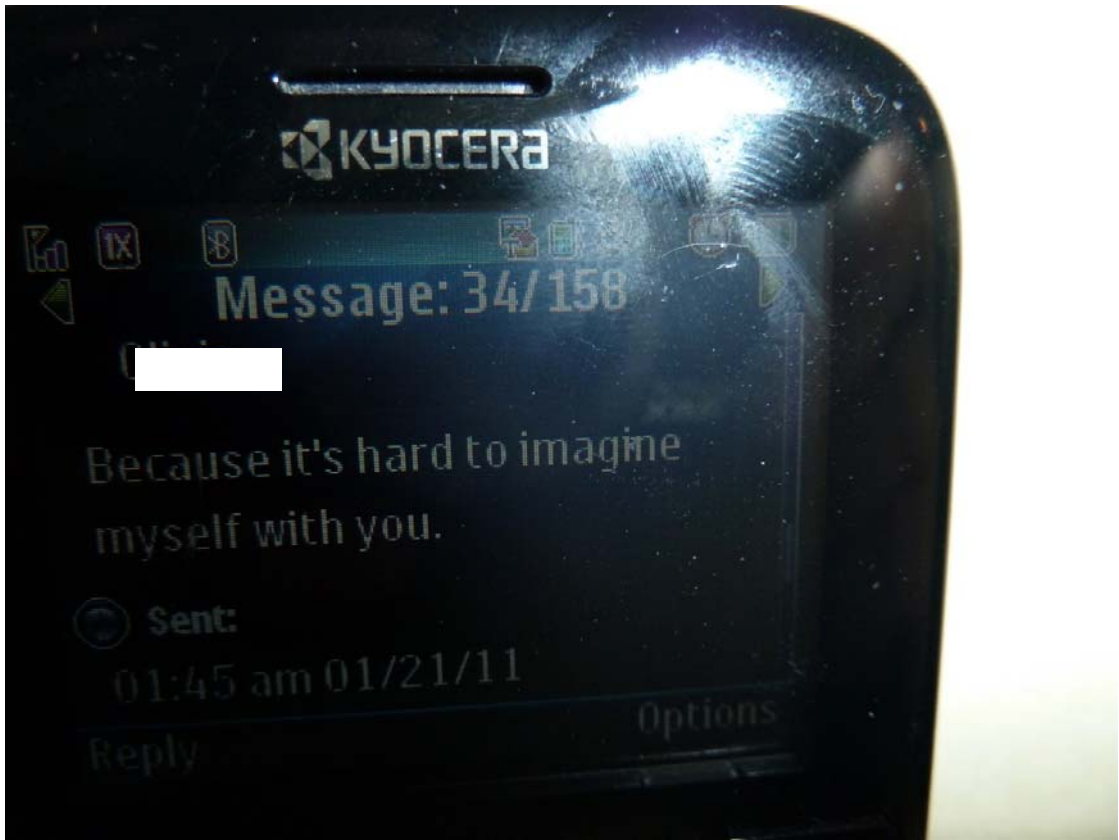

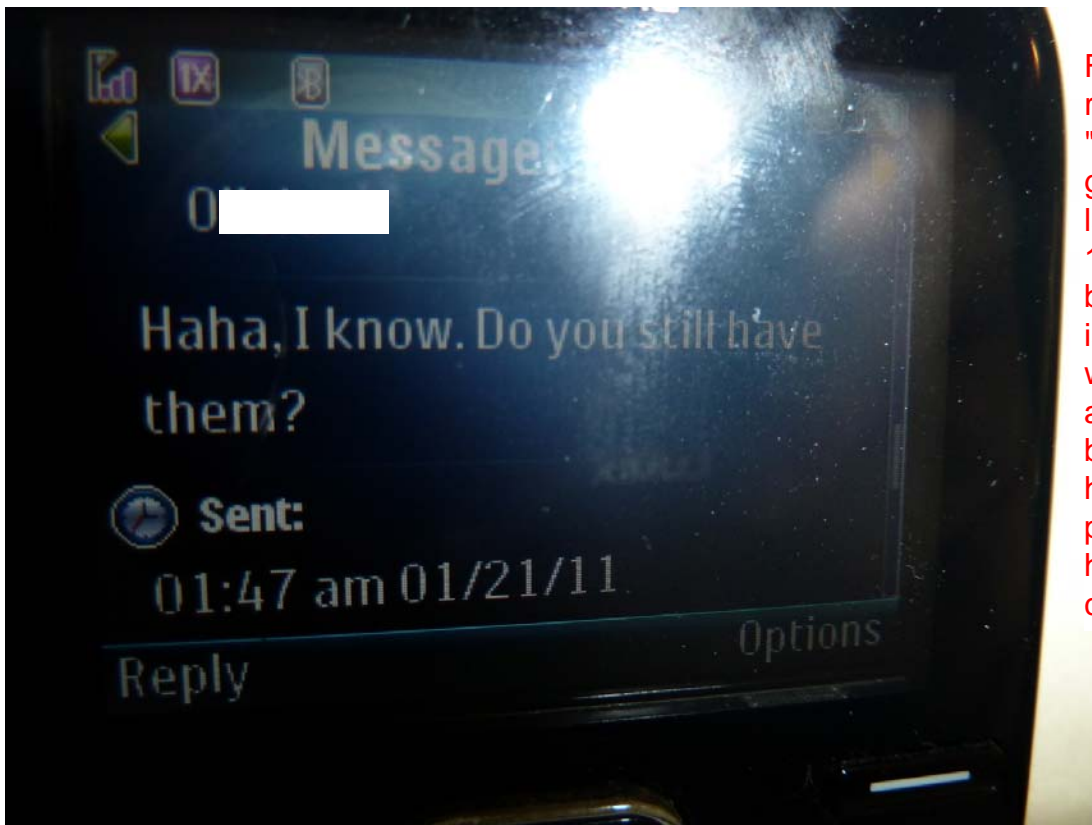

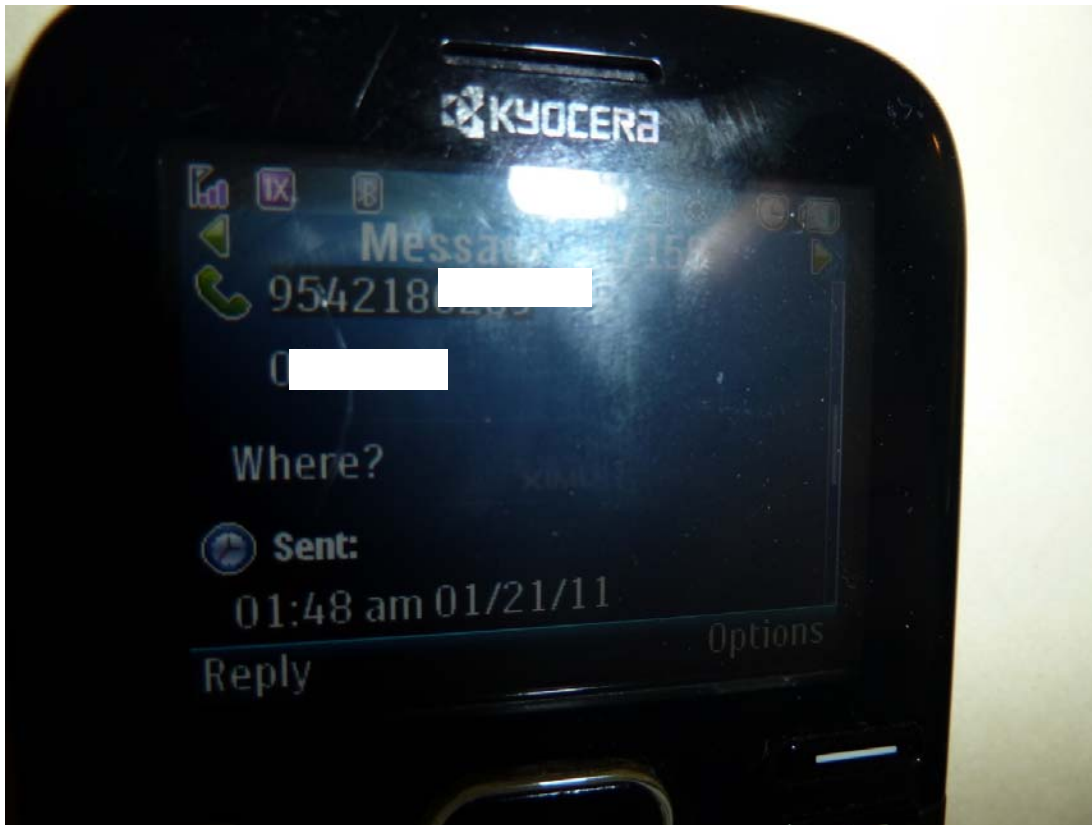

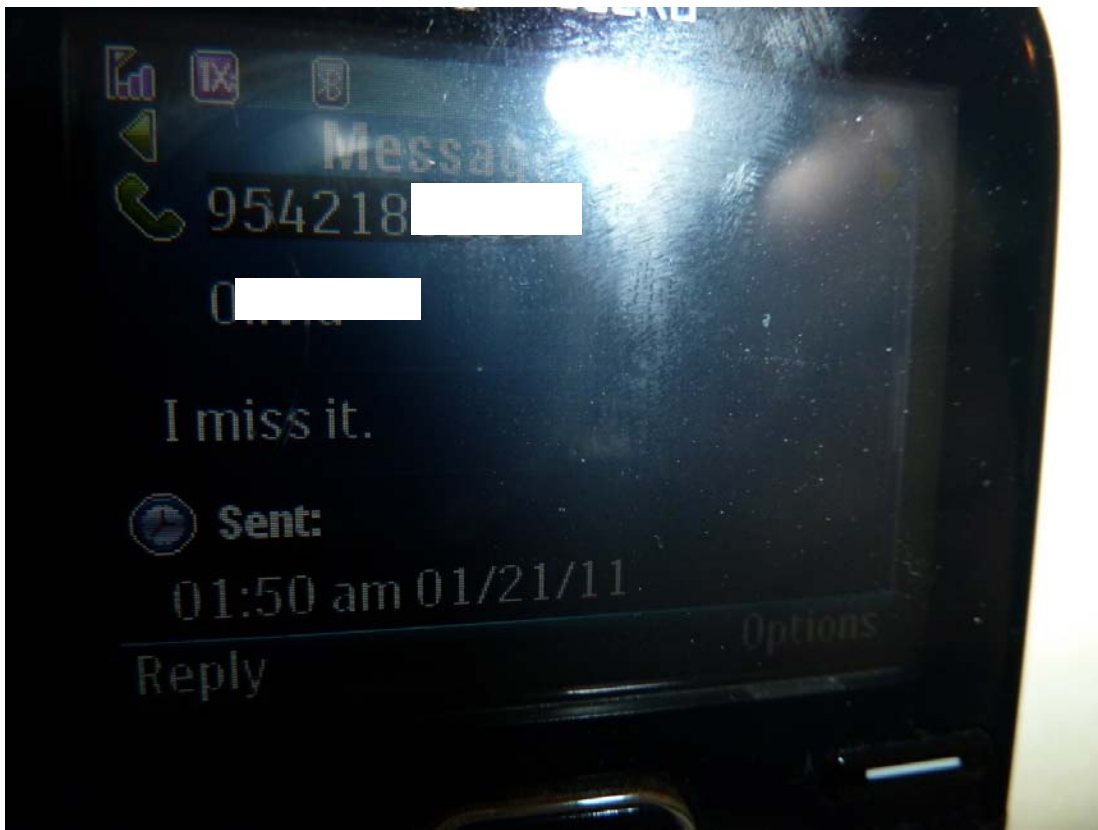

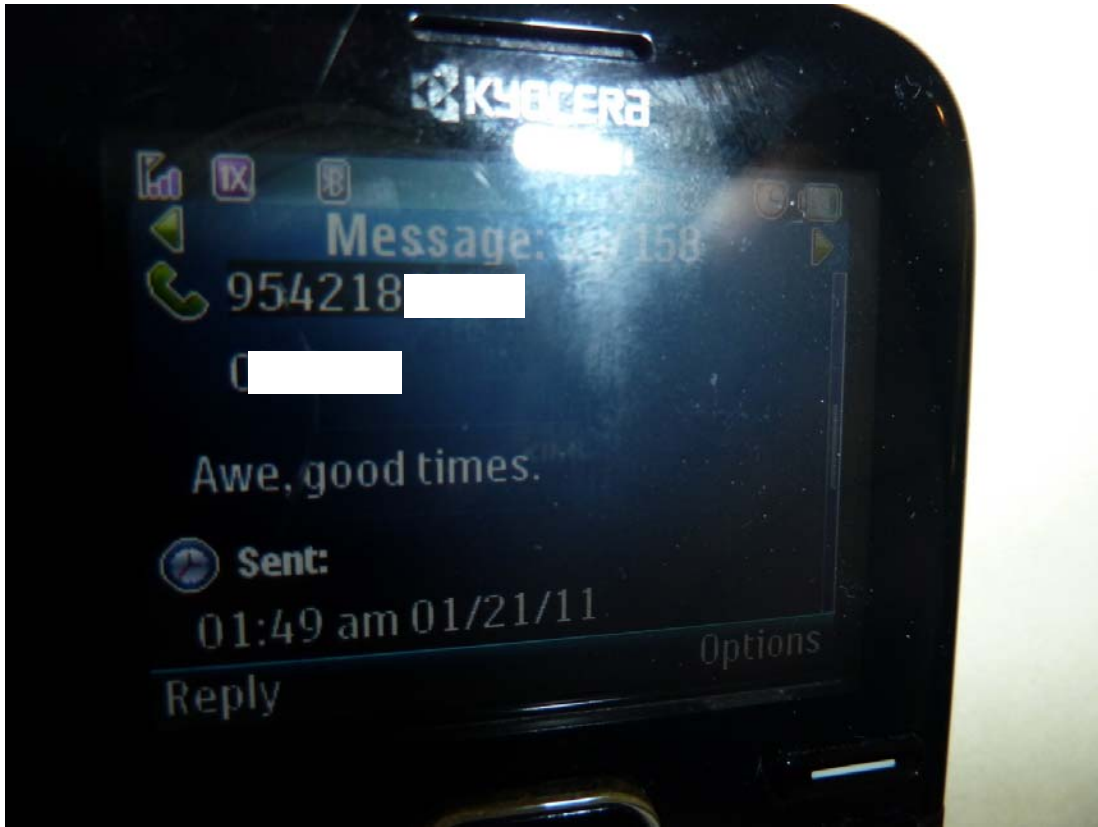

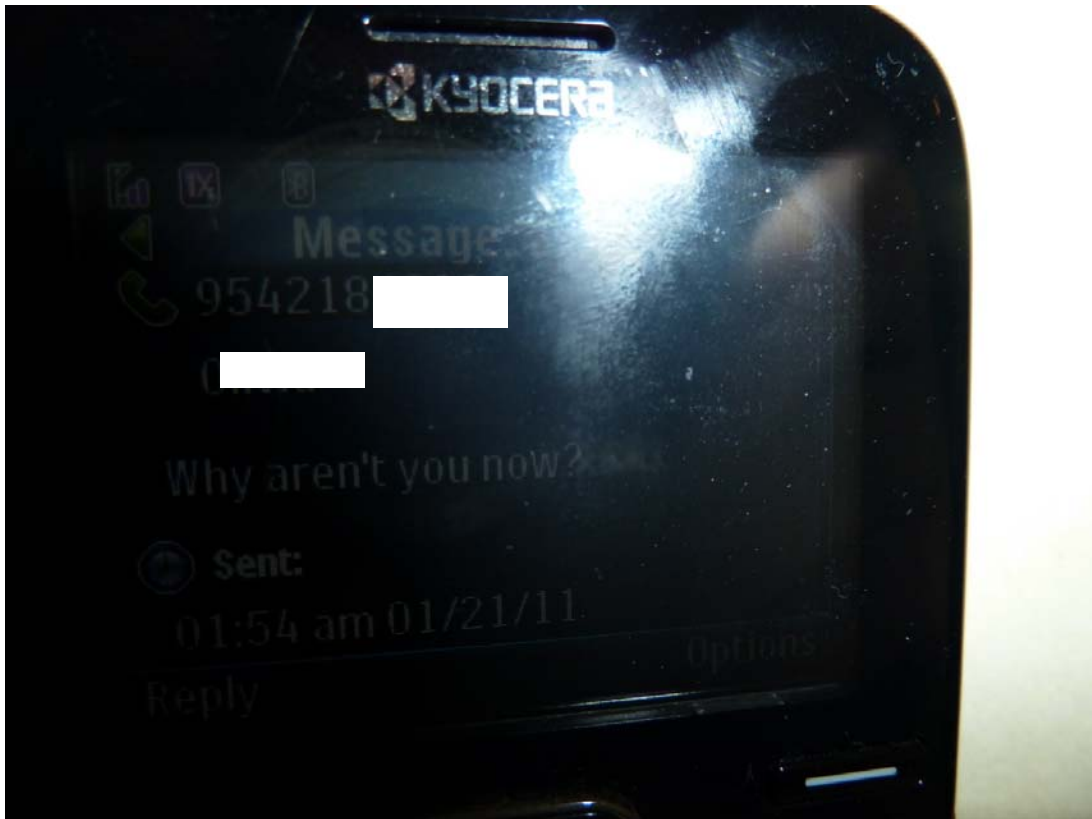

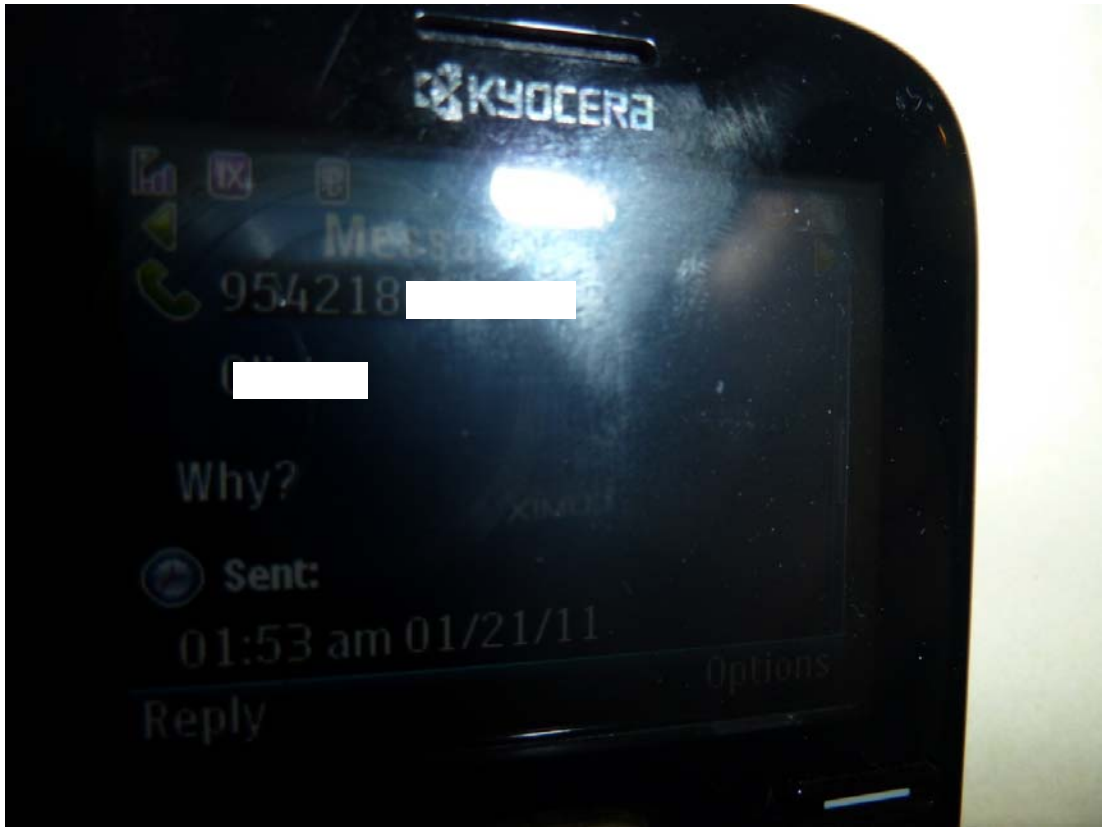

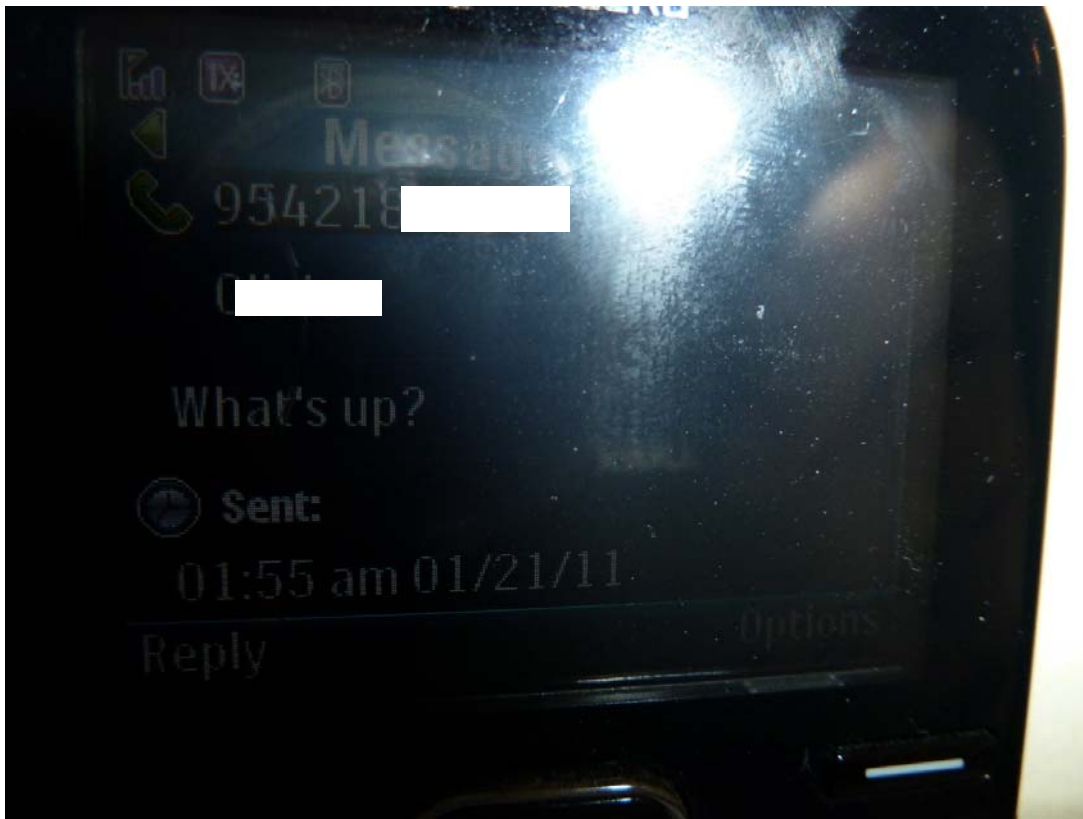

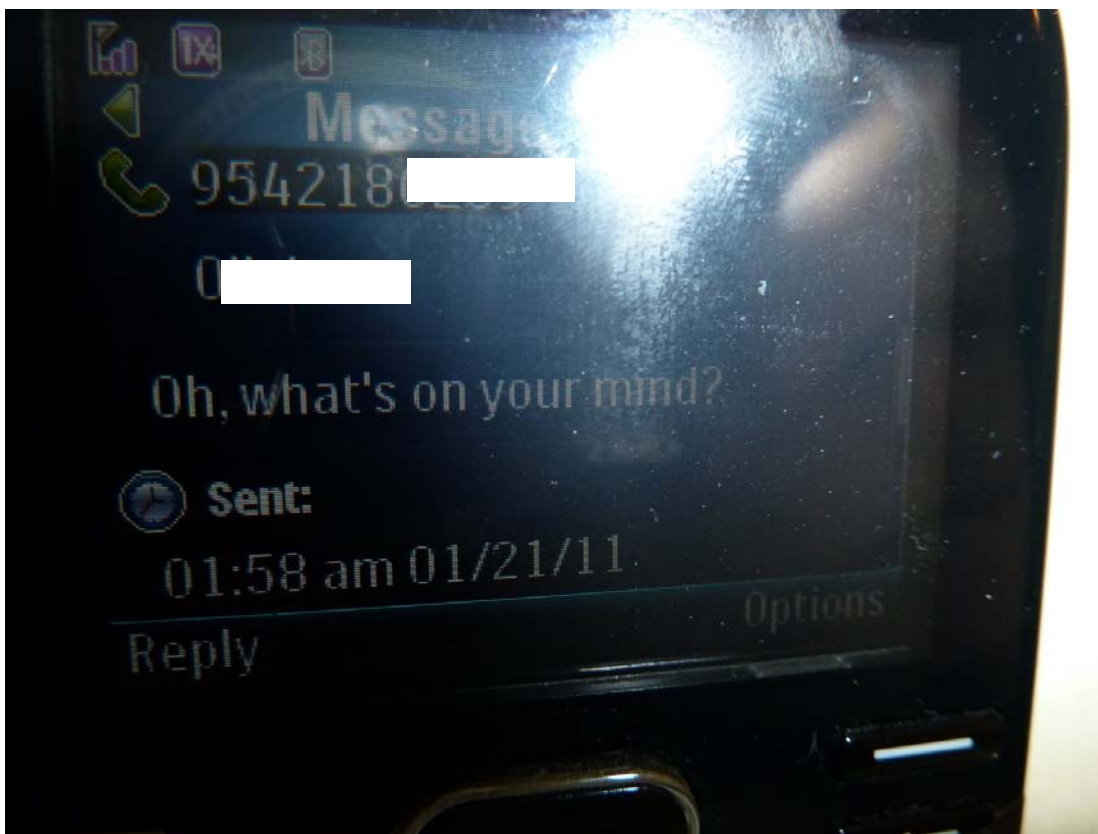

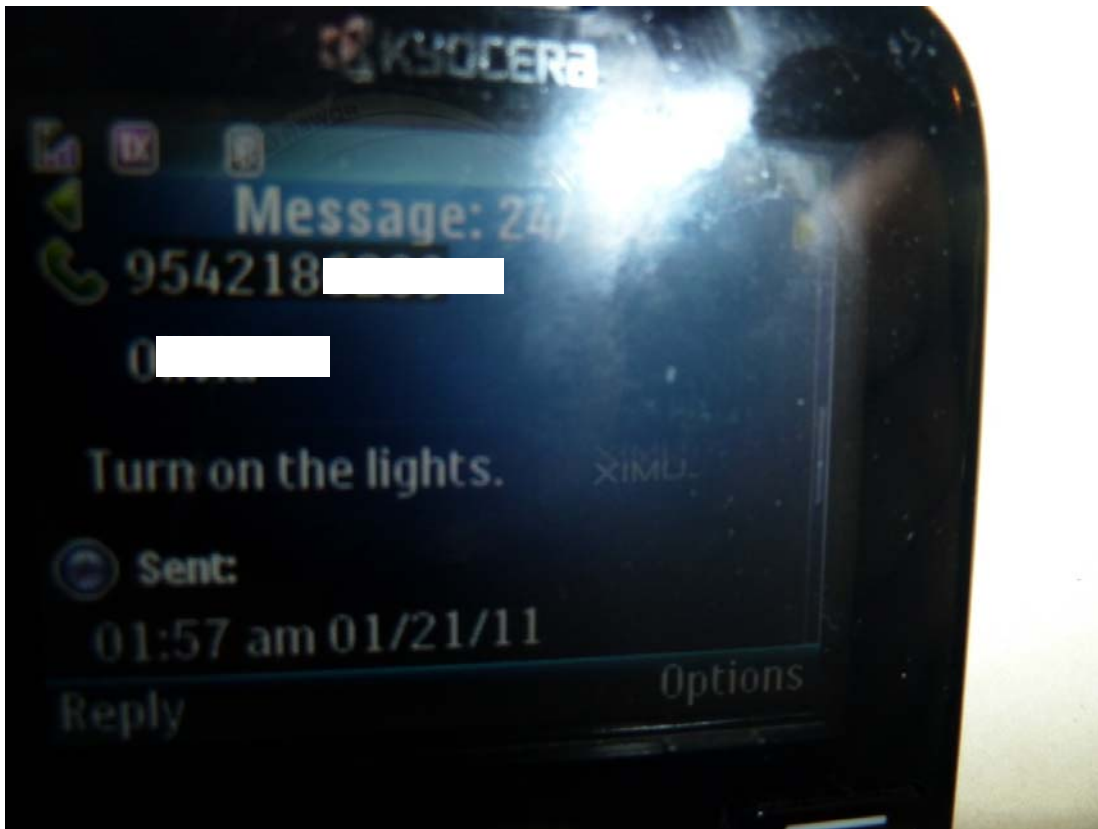

Friend B is referring to her "Death Notes". She gave Bradford the last "drawing" on 12/1/2010, his birthday. The time is 1:47 am. There was still one hour and 40 minutes before he died, to have called the police and stop him. No police was called.
